

Pathways to Employment Program

Create a plan and make it happen!

How we can help

We provide one-to-one support to help you get ready for employment by:

- Assessing your job readiness
- Creating a plan to achieve your employment goals.
- Exploring training options for in-demand local jobs
- Assisting with job applications, including resume writing and interview practice
- Connecting you with work placement opportunities.
- Helping you stay on track during training and your first months at work
- Referring you to services to assist with other support needs

Eligibility

- You live in or you are connected to Reservoir, and
- You are looking for work, or
- You want to undertake training and learn new skills
